

WHO WE ARE

Rev Jim Rettie

The Christian Fellowship of Healing (Highlands) started over 30 years ago in Sutherland when Rev Jim Rettie felt led by God into the healing ministry. He met with other believers in Jesus to explore and learn about the ministry of Divine Healing.

Today we are a group of Christians who are convinced that this ministry as practised and commissioned by Jesus Christ is still part of God's plan for the wholeness of his people.

The fellowship is now led by Rev Peter Robertson, a retired Church of Scotland Minister, with a team of men and women who come from different branches of the Christian Church in the Highlands and the North of Scotland.

Our approach is at all times centred on the Word of God, the Name of Jesus Christ and the guidance of the Holy Spirit.

Through our ministry, which is mostly gentle and low key we are privileged and encouraged to witness the Risen Lord Jesus continuing the healing work of his Kingdom: healing people in body, mind and spirit.

We believe that Christ intended his Church (body of believers) to be channels of his healing to people everywhere in the world and at all times past, present and future.

Where we are

We are based in and around the City of Inverness in the Highlands of Scotland.

TESTIMONIES

"I suffer from peripheral neuropathy especially in my left foot and leg. It had recently got worse and I was finding it difficult to walk as it felt numb and very heavy. But as I was prayed over and had hands laid on my legs, I felt the Holy Spirit move right through my body starting from my toes right up into my head. I had to take a moment as I felt quite giddy but at the same time the heaviness had completely gone from my left leg, and my legs didn't feel as numb. This has remained. There are not words enough to thank God for the wonderful healing, and for Linda and Jamie allowing themselves to be vessels of God for healing. All Praise and Glory be to God."

"We ministered to a man who was very unwell with Lyme disease and was unable to work because of it. One year later he told us that he had been completely healed and had been able to work normally ever since.!"

"I had been in pain for several weeks with a recurrence of bursitis in my hip. Immediately after a brief prayer with laying on of hands my pain was completely gone and has not returned after more than nine months"

"I had been having momentary blackouts 5 or 6 times a day. After the healing I had only one the next day, then another 2 days later, and have had none ever since!"

"We prayed with a lady on behalf of her son who was in difficulties. We learned later that 3 weeks after the ministry the young man completely turned his life around."

"Exploring Divine Healing" Course

This six session course is aimed at allowing participants to decide if they are called to this ministry and then equipping them in it, so that they may then minister in their own church or locality. It covers: The Biblical basis for Healing, The Holy Spirit, Prayer, Doing it.

These courses run according to demand in Inverness and the North of Scotland.

God is good!

In October 2012, our founder Jim suffered a heart attack and had to be resuscitated a few times. The hospital medical team eventually stated they could do no more and had all support machines disconnected from him. Whilst they were waiting for the end, Jim's ministry team along with the hospital chaplain kept praying for a positive outcome. To the amazement of all Jim suddenly opened his eyes and sat up. He returned to leading the team and conducting meetings for Divine Healing. Most people involved in the case claim that it is no less than a miracle. Praise the Lord

CHRISTIAN HEALING

In the Old Testament of the Bible there are records of God promising to heal his people and delivering on that promise, but in the New Testament we find healing becoming an integral part of the ministry of Jesus. From the very start of his ministry, Jesus had the authority and power to bring God's healing to those he met, and he did so on a regular basis. As Jesus taught his disciples "he gave them power and authority to drive out all demons and to cure diseases and he sent them out to preach the kingdom of God and to heal the sick." (Luke 9:1). So not only did Jesus heal, but his disciples did also - in fact Jesus commanded them to do so.

Next we find in the book of Acts that even after Jesus was no longer on earth the early church regularly healed the sick in the name of Jesus. On their way to the temple one day Peter & John met a lame beggar - Peter said 'Silver or gold I do not have, but what I do have I give you. In the name of Jesus Christ of Nazareth, walk.' And the man did, for the first time in his life.

At CFHH we continue that work in our own age, endeavouring to do things the way they were done by Jesus and the early church, and so bringing God's healing power into the lives of those to whom we minister. We do this in the powerful name of Jesus and in his name alone. It is important to note that this Divine Healing is not dependant on the faith of the person seeking healing, but is available simply because God has made it so. The source of Divine Healing is God alone.

As the source of Divine healing is the God who made us and loves us, He is never going to do us harm. As we have to "allow God to be God" we can never predict the results, but they will always be for the good.
